192 Elements for Sharper Details
Ideal for High-Precision Scanning

Scanning with Continuous Power in Hand

- 3 hours battery endurance for extended clinical usage
- Compatible with various wireless chargers for flexible charging anywhere
- Supports 9V fast charging for reduced downtime and enhanced efficiency

Seamless Connectivity and DICOM Integration

- Fast Connection on Android, iOS and Windows devices
- App-based ultrasound without additional subscription
- DICOM 3.0 system support, ensuring smooth integration with PACS/HIS*

Tailored Imaging Experience

- Customize 30+ imaging parameters to suit your preferences
- Access 15+ presets for quick and easy start, or create your own custom presets

Elevate Mobility with Lightweight Powerhouse and Waterproof Design

- Feather-light design
- IP68 waterproof for harsh environment

Intelligent Clinic Support with Auto Functionality

- Automatic gain/setting/measurement
- Auto urine bladder volume measurement for fast screening
- Auto EF calculation for comprehensive cardiac assessment
- Auto IMT measurement for vascular health
- Auto subcutaneous fat measurement*
